TIFFANY KOURY

Embodying the epitome of confidence and sophisticated elegance, Tiffany Koury makes every woman feel like a bombshell. Her unique understanding of proportions and draping has been ever apparent since she launched her eponymous line of dresses in 2005. This bombshell's goal is to help women express themselves with confidence and classic beauty so they too feel extraordinary.

For the past four years, Tiffany Koury has been the go-to designer for made-to-measure dresses and gowns for celebrities and socialites, and her collections have shown at the legendary Mercedes-Benz NYC fashion week. She is known for her custom couture, European flair and her brilliant complementary use of frequent jewelry sponsor TOUS.

Inspired by both the cotillon culture of her youth and the timeless glamour of Hollywood icons like Audrey Hepburn, Grace Kelly and Marlene Dietrich, Koury graduated in 1996 from the prestigious Fashion Institute of Technology with a BFA in Fashion Design and Fabric Styling.

Upon graduation, she travelled to Istanbul, Turkey, where she designed for a New York-based boutique. After she returned to the U.S., Koury worked at Polo Jeans Company, Ralph Lauren Corporate and Nautica, leaving the latter to launch her fabulous retro dress collection.

In addition to being a member of the Couture Council at F.I.T., Tiffany Koury is also an Honorary Board Member for the Red Light Children Foundation and the Sounds of Silence Foundation. As a designer, she is not only a creative genius and a savvy business-woman, but she also inspires women around the globe to embrace the bombshell within them.
